MEMORANDUM FOR RECORD

SUBJECT: United States Army Garrison, Alaska (USAG Alaska) Use of "Golden Age Passports" for DMWR Recreational Activities (Policy #USAG-AK-10)

1. AR 215-1, Chapter 8-18 (6) gives local commanders the authority to honor "Golden Age Passports" at their RV parks if they choose to do so. However, our policy in USAG Alaska DMWR activities is that we do not offer "Golden Age Passport" discounts, or discounts as a result of membership in any private organization, to a select group.
2. Additionally, the fees we charge at our campground activities are already set at a rate to be as low as possible and still provide quality service and value to our customers.
3. POC for this memorandum is Mr. Dean Hone, Director of MWR at 384-2003.
